RE: Kentucky Public Service Commission Case No. 2008-00518

Dear Mr. Derouen:

On February 11, 2009 Kentucky filed its Responses to the Staff's Data Requests in the above proceeding. Upon further review after filing its Responses, Kentucky Power determined that the confidential attachment to its Response to Request No. 24(b) might be difficult to read.

Enclosed are a substitute to the confidential attachment to its Response to Request No. 24(b), along with ten copies of the redacted version of the attachment. Please substitute these versions for those filed on February 11, 2009.

Kentucky Power further requests that the Commission grant confidential treatment to the substitute confidential Response to Staff Data Request No. 24(b) for the reasons set out in its February 11, 2009 motion.

Very truly yours

Mark R. Overst
